

Geraldton Amateur Swimming Club Welcomes You!

Our club's goal is to develop all four competitive swimming strokes safely and focus on short term and long-term development. Throughout your swim journey GASC aims to improve your water confidence, fitness, encourage healthy competition whilst providing a family friendly social environment.

To get started you need to have completed the VAC Stage 5, a squad assessment, a desire to improve your swimming skills and being part of a team. We hold time trials to help you monitor your progress throughout the term, semester or year.

Our **Club Calendar** can be found on the **GASC Information Board** beside the Aquarena Indoor 25m pool.

Meets targeted:

- *Moora Open* - Meet aimed at Regional Clubs, 5th of February 2024
- *Country Pennants* – Held in a different WA location each year (Kalgoorlie 2024)
- *Country Championships* – Regional Clubs can only register for this event. This meet is held at HBF Challenge Stadium Perth, annually (1st weekend in January)
- *Geraldton Short Course Classic*– All WA Clubs are welcome to register. Our event is held annually (June long-weekend)

You can travel anywhere in the State to compete if you are interested, but it is not compulsory. You may wish to swim with GASC for your own personal goals and fitness levels but we do however encourage our members to participate in our club days to help you monitor your progress.
